

SPRING IS HERE ... and summer is just around the corner!

It's Our 1st Anniversary ... celebrate with us!

The Glass Store ... and more! is celebrating our first anniversary! Originally founded in 1983, The Glass Store changed hands last year, underwent extensive renovations and has been reborn under **The Glass Store ... and more!** Product lines have been expanded to include unique, distinctive, non-glass giftware.

Barb Tayler, the new owner, has boundless energy. Along with her staff, including an interior decorator, Barb invites you to visit her boutique shop.

For our 1st anniversary celebrations, we are offering a 10% discount on all stemware from April 28th through to the 30th.

Hope to see you at the shop!
